Hollis was my good high school friend during his time at Governor's Academy (formerly GDA) and beyond. I spent much time with him and his parents during those years. I lost touch with him after I moved to CA in 1999 and tried, unsuccessfully, to locate him over the years. I just searched again and sadly came across this. He was a good friend and I miss him. My condolences to his family.

Sincerely,
Mark Thomson

I was just mentioning Holly's my husband. I did not know he had passed!!. He was in my 7th and 8th grade classes at Immaculate Conception School in Newburyport and was a memorable student. Always had a smile on his face and a kind remark. I am so sorry for his family. Please accept my heartfelt condolences , even though they are almost a year late.
Sincerely ,
Sylvia FRANCESCONE.
