My deepest sympathy to all in the family, for your great loss!
I can't imagine anything worst than loosing a child at such a young age!
My heart breaks and goes out to all of you.
His parents, grandparents, siblings, and your whole family!!!
I remember meeting Maxx at Mark's and Lily's wedding. God be with you and comfort you through this very painful time in your lives.
There are no words anyone could say to help ease your pain, I am truly hoping that by knowing others are caring and grieving with you may help in a small way!!!
RIP MAXX . Heavens are having a celebration for your return home.

To Maxx's family,
I can not express my deep sympathy for your loss. Dakota and Maxx were great friends and had been in touch a lot during the past few months. Dakota often spoke of his adventures with Maxx and the memories were shared with our family.
As a mother, I send my prayers for your entire family that you are comforted during this time by family and friends close to you.
Please know you are in my thoughts and I care so much. I know that Dakota will be in attendance for the services.
