“ I would like to offer my condolences to Pamela Kurtz Welch and her family for the loss of their father/grandfather. As I knew him during my younger years - Mr. Kurtz - was a true gentleman and one of the most pleasant people to be around. Whenever I was in his company he routinely engaged me in thoughtful conversation and took an interest in how I was doing in school, with sports, and life in general. I will always remember him as someone who loved his family and displayed the utmost courtesy to others. May you rest in peace Mr. Kurtz and know that you will be missed.

“ Years ago, Al and Carol were our next door neighbors. They were a great couple and you couldn't find nicer people anywhere. My life was greatly enhanced by knowing both of them.  
Condolences to Al's family
