“ I'm so sad to hear of the passing of "Buzz". My heart aches for his family and friends, as it's always so hard to say a final goodbye. But he will live on in the hearts of his children and grandchildren and great grandchildren. I have fond, fond memories of him (and can hear his voice now!) at the house on Elsinore Street (here in Concord, MA) while playing with Paula, Patricia, and the rest of the "kids" way back in the mid-1960s.

“ I have fond memories of Tony’s time in Scotland for Polaroid when he was instrumental in setting up the local IT data centre operations in the Vale of Leven plant in the mid 70’s.
We worked closely together during his overseas assignment as I was his local management contact.
He was the consummate professional; knowledgeable, personable and patient.
Sincere condolences to all his family at this sad time.

He was a true gentleman.
