“ Barbara was a very good friend who always had a smile on her face even through all of her trials and tribulations. She was a lot of fun to be with and we had many good times here in NH and also in FL. She loved the sunshine and the pool and beach. She was always ready and willing to lend a helping hand whether it be physically or emotionally. She was very kind and understanding to me when I lost my son, my only child. She listened intently and gave me comfort. I will miss you dearly along with all of our escapades.

“ We knew Barb as a part-time companion and caregiver for my elderly mother. She was gracious and kind in her interactions with my mother, and I am forever grateful to her for that. I am so sad to hear of her passing. You're gone too soon Barb. Rest In Peace.

“ To Mary and family: This is very sad news. Please accept our sincere sympathy and condolences. Billy, Leo and John Cronin (from Elm Court).

I was a neighbor of the McCafferty's for approximately 20 years. They were a wonderful family. No matter when I saw Barbara--including many years later--she always had a good word to say about somebody. Barbara was a good, kind person from a hardworking, great American family.

Rest in Peace, Barbara. And may your family be comforted with loving memories.
