“ Denis,

Rosemarie and I sorry for the loss of your life partner Brenda. You were always a good friend and fellow competitor on the NU football team. We will remember you fondly during this time of sadness and pray along with you. We only know your departed spouse from her obituary where she was portrayed as a loving, caring and well educated woman. An example of how to live to us all.

May the peace of the Lord be with you and your family,

Rosemarie and Tom Mitchell (61BA)

“ Dear Denis,
Brenda was truly an incredible person who always made everyone feel like her #1. Her hearty laugh and quick wit will be with us always. I remember many visits where Brenda planned every little detail and made us all feel so very special. Even when as a kid I clicked the wrong switch and flooded your bathroom with Aunt Mimi still in the hot tub, all Brenda could do is flash a smile and take control of the situation. She was so warm and genuine and compassionate and I will always cherish her advice and interest in my life. We all send our love and prayers and know Aunt Brenda's spirit will stay with us. - Chris, Andrea & Linda
