“ So beautiful, so intelligent, so much fun - how glorious it was to find this great Scarsdale graduate as my roommate at Skidmore College ,in the fall of 1949! Carol was an outstanding scholar and a most popular leader in every way in those years and continued to be throughout her life. A lifetime as a great friend - Carol lived all lthese precious years enriching every one and every place with her strong beliefs and intellect. How wonderful to have known her - I miss her.
