

Cordelia Bliss White

August 10, 1985 - August 10, 2019

Exeter - Cordelia Bliss White of Exeter died on August 10th, her 34th birthday after a brief pulmonary illness. She lived a very courageous life, having been born prematurely at Brigham and Women's Hospital in Boston. Throughout her life, she valiantly struggled with health and other issues.

Cordelia grew up in Rye and attended the Rye schools. She spent countless hours listening to stories and reading at the Rye Public Library. A 2006 graduate of Winnacunnet High School, she was also a member of Friends in Action. Following high school, she joined Ethel's Tree of Life, an organization that teaches life skills for young adults with various challenges.

Cordelia was a devoted volunteer and strong advocate for people with disabilities. She completed the New Hampshire Leadership Series; she was on the YEAH Council for young adults with special healthcare needs; and she trained as a volunteer advocate for special education. She was appointed by the governor to the Developmental Disabilities Council in Concord, serving a three-year term. Additionally, she was a founding member of SALT; Self Advocacy Leadership Training, that is supported by the DD Council.

Cordelia was faithful, loyal, kindhearted, and loving. She had a strong voice and a memorable laugh. Each day, she spent time on Facebook, connecting to family and friends. Her interests included baking and cake decorating, as well as visiting many points of interest throughout the state, leading her to complete the training for the New Hampshire Ambassadors. She enjoyed everything associated with the Wizard of Oz, Mr. Rogers, Disney and Sesame Street— deeply identifying with the stories and characters.

On her 34th birthday, she posted a March of Dimes fundraising campaign on Facebook, asking friends and family to make donations in lieu of gifts. This was Cordelia's lasting spirit and legacy— caring for others in need.

Cordelia is survived by her mother and stepfather, Elizabeth and Stephen Volpone of Hampton Falls; her father Peter of Rye; her brother David of Chengdu, China; her grandmother Jean White of Chatham, New Jersey; her aunts and uncles: Margaret Ost of New York City; Frederick and Katherine Ost of Summit, New Jersey; Richard and Kerstin White, of Exeter; Donald White of New York City and five cousins.

A Celebration of Life will be held at 11 A.M. Friday, August 23rd 2019 at the Rye Congregational Church, 580 Washington Road, Rye. Donations in Cordelia's memory can be made to the [Richie McFarland Childrens Center]<https://www.richiemcfarland.org> and [Farmsteads of New England]<https://www.farmsteads-ne.org>

“ I will Miss Cordelia and her smile and her laughs. She always made my day bright. We used to video chat on Iphone or Ipad. I know she is watching over me and looking down on me and smiling at me. She was a great comfort to me when I had a bad day or just needed a friend to talk to. She was always there for me when I needed her. We used to walk the streets of Exeter together and go to Me & Ollie's.

“ Cordelia could light up any room when she walked in. Her legacy will live on. I still remember the days when she would smile and just be herself- nice, helpful. That's something I'll never forget. I pray for her family and friends during this time.

“ Cordelia worked so hard at making the world a better place for those with any type of special need. She learned to advocate for herself and others and encouraged her peers to do the same. We were very fortunate at NH Family Voices to have her as a long time member of the YEAH Council. She left the world a better place. Thank you Cordelia. And thank you to her

family for providing her with love, support and guidance in a life too short. Love to you all.

“ Dear Elizabeth, My heart is with you, David, and Steve. For 34 years I watched you devote 100% of your brain and soul to Cordelia's quality of life, There was no better advocate or mother for her little girl. May your courage and commitment to truth carry you through this journey of healing. It was parenting exquisitely well done with constant vigilance. We will miss Cordelia. Love, Pam, Ray, Billy, and Anna

“ Sorry for the loss of Cordelia. I was one of her teachers way back in kindergarten. Even then she had a wonderful happy energetic spirit. I remember how she loved to sing and how she loved Barney. :) Happy to learn of her life and how she spread her wonderful loving spirit and touched others in so very many ways.

“ I am so shocked and saddened by the loss of Cordelia. My heart breaks for her family and friends, you are all in my thoughts and prayers. I loved your laugh and sense of humor. Whether we were going to weight watchers, a new store or place you wanted to check out, or searching for new activities to do on the computer, we always had a great time with lots of laughs. I will truly miss you my friend.

“ I miss Cordelia so much. My favorite memory is when we went to the movies together. We both were huge fans of Mr. Rogers and saw that movie and sang along with the movie "It's you I like" and neither of us minded what anyone was thinking because it felt right. You made me brownies when I was sick, and were not afraid of the stove like I am! You helped me a lot Cordelia. You pushed me to do things I would not have done if I had not been fortunate enough to meet you. Like, going to see movies. That was something I learned to get comfortable with because of your help! You may not have known but you helped me to be a better person, a braver and stronger one too. Love, Cassie

“ As Facilitator for Dreamcatchers 2.0 Dover Group KIND, which Cordelia was a loyal member of and was about to become a leader in her own Exeter Club, I will always remember the day you "adopted" me when I lost my cousin Amber. She, like you, have a kind, giving spirit that makes you more special that words can say. You are a gem, shining brightly over us wherever we go, today and always.

“ It seems hard to believe this news, I opened The Offbeat Owl Paint Bar 4 years ago and one of my very first customers was Cordelia. She came in and painted some ceramic figurines and chatted the whole time with me and my daughters. She was so very sweet and appreciated every thing that was given to her. She loved going next door to Dsquared Java and getting her coffee! She talked about her brother often who was in China and how much she missed him. Cordelia loved going to church and was an inspiration to all who knew her. She will be missed and forever in our hearts. Until we see you again my friend. Hugs, Love, and Kisses.

“ Dearest Cordelia,

I am heartbroken, we were friends linked by illness, but we always had a good time together, I will forever miss your loving smile, and tender heart.

Cordelia and I went to wizard of Oz in Worcester at a hall. I will always keep the memories that she and I shared. She was a Jewel And a saint and a joy to be around. I will miss her apartment that we spent time in and hung out in. She took me to many restaurants in Exeter. She will always be apart of my life

“ I went to school with Cordelia and she had the most amazing smile and personality you could have ever hope to know! That in itself was a life gift to us all (just being in her presence.). When I had my daughter 10 years ago many years after school ended and many had gone our separate ways. Cordelia sent me a gift in the mail congratulating me on having a little girl and an amazing classic book for me to read to her. She was the only person who I've ever come across that has been so selfless and giving towards people no matter how many years went by she still though of us all. Heaven has truly gained an Angel. To her family our thoughts and prayers are with you. Know your daughter touched more lives in her precious year then most could ever attempt to do. She will never be forgotten and she will be thought of often. Thank you for all you have done and did for other

“ Cordelia was an amazing young woman. I went to Rye with her and Portsmouth for a few years. I have gone out to dinner with her a few times afterwards and enjoyed every time I saw her. Her laugh and smile was one I won't forget. Her love of life and determination was admirable. A person who you can't forget. May God bless you and accept you into his open arms. My families thoughts and prayers to her family, the world lost a good soul.

“ She was such a sweet person we went to school together in Rye. When she found out I had a baby she bought him a present and shipped it to him. I was so surprised after moving to another town and it being so many years from seeing her she still remember me and was thoughtful and she truly had a heart of gold.
