“ For my sister,  
The years between vanish,  
May you dance with angel wings,  
With the wind to your face,  
Homeward bound , adieu, adieu.

We love you Chuck and Sue, Dre and Rob ....so many tears

“ Deb and I met in second grade. We came to the beach from Mass which made us targets at the time. Our accents didn't help. Luckily, a teacher of ours met my single Dad, at Seabrook beach. That teacher was Miss Backer who became/Mrs. Oneail :). Deb and I laughed, loved, lived and did a lot of other things that shall not be known ! Deb and I had an extreme love for each other from small things to the big ones. Deb and I literally laughed whenever we got together. Not the regular laughs but the deep down laughs that almost make you pass out before you can catch your breathe. I can't imagine that we will never have those laughs again. My sweet Christina I will always be your Jefe ! I wish I could have loved you enough to keep you here. To know that you were loved by so many! I already hear you Deb :)., today, tomorrow and the rest of my life. I will love you .

“ Words cannot truly say enough of how sorry I am to hear of Deb's passing. You always had a smile when we were with the kids playing in the neighborhood. You were so kind and always such nice things to say about the girls. Elle, I hope you know how much we think of you, and your mom. We wish you all the strength and hope you feel the love being sent to you during this time.

“ Deb, you were always such a firecracker! Your laughter and sense of humor will remain forever with my memories of us and I will cherish them always. My heart is so heavy. Even though we our friendship slipped away, I always loved you Mama! My sweet soul sister, may you rest peacefully.

Elle, some of my best memories are when you and your mom would spend time with us. You and Ashley were the cutest! Elle, I am so deeply sorry for your loss. Your mom was an incredible person and she loved you so much. Our thoughts and prayers are with you and the Lafond family during this extremely difficult time.

“ I am so sorry to hear of Deb's passing. Deb and I grew up together and our families were very connected. I know that her mom, Grandma Josephine and Aunt Charlotte were there to greet her and welcome her home to heaven. My deepest condolences to Elle and Chuck. Rest in Peace Deb. " And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

“ I loved Debra Jean Littlefield. I wish I lived closer to have spent more time be with her over the years. I don't think I've ever laughed harder in my life than I did on those occasions I was hanging out with Deb during the days at UNH/A=D. She was a true treasure.

I send my sincere condolences, love and support to Elle and Deb's family.  
Much love, Sue Prescott Levy

“ Cousin.. We shared so many memories growing up along with adulthood.. We reconnected recently but never did get together to sit down and REALLY catch up on life and our health struggles.. I regret not trying harder to make that happen.. Of the cousins we were the closest in age as you were only days older than me ( and never let me forget it ) . I'll cherish the memories of you and Jeanne going to auctions for antiques and trying to sneak your purchases in the cellar without waking me up... Ohhh oooo “ beamers awake”! I “ll never forget that or you.  
Love you always Cousin and rest in pain free peace.

“ I met Deb in my night school upholstery class where I taught at Whittier Tec. She attended for 10 yrs with her close friends. She was a joy to be around, bright with the greatest sense of humor that made my job enjoyable. Her laugh was contagious! Rest in peace my friend and my God Bless.

“ I first really got to know Deb when the girls were at Marston School and we coached Girls on the Run together. Deb was all about uplifting and motivating the girls to do their best in running and in life. Deb has so much energy-I couldn't keep up with her! Her devotion to Elle was abundant and her fierce determination to keep all of the parts of her world moving forward inspirational. My heart breaks as I think about her pain and wish that the world could have made it right for her. I will miss you forever Deb.
