“ I am so sorry to hear of Edna's passing. I knew her from Exeter Hospital where she volunteered. She was a pleasure to see everyday and we always had great chats. She was like another grandma to me and was quite quick to tell me when I needed to smarten up!! Love her!

“ We did not know Edna until around the time she and Stan were married in the ICU at Lahey. They adored one another. She was a hard grader and insisted on proper behavior. Always though, with a bit of mischief in her eye. A terrific woman. We wish we had known her longer but I'm so grateful for as much as we had.

“ Edna volunteered in my classroom many years ago. She was the sweetest lady. She loved the children and brought them each a beautiful bag of special candy for Christmas.
She was well liked by myself and the students. RIP Edna.
