“ I have wonderful memories of my partner teacher at St. Joseph's School. Evelyn and I taught second grade for quite a few years until she retired. She was a mentor, a friend, and an inspiration! She was also a gracious host at her condo near BC and when we visited her after her move to Hampton Beach. I am sorry that we lost touch in recent years but I have thought of her often. I am sorry for your loss.

“ My heartfelt condolences to Jack, Mark, Peter and Michael. Please take comfort in knowing that Ebbie is at peace and her struggles are over. My sisters, brother and I have wonderful memories from Hampton Beach with Ebbie and all of you. It was so nice to be able to share our summers at the beach. God bless you all and rest in peace Eb.

“ I have so many good memories of Ebbie. My very first memory of her was when Mary D. took me to visit her and Jack in their first apartment (1950's?). I had never been in an apartment before and I still remember thinking that a home inside a building was the coolest place I had ever been and that Ebbie was the coolest person I had ever known. Ebbie was always so nice to me; she was always happy to see her family. I remember visiting her in Needham and of course seeing all of you at Hampton every summer. Her love for and loyalty to Mark, Peter and Michael, was unquestioned. I told her once that she and Jack were the two people we could always count on to be at family events. It was such a disappointment when age and illness got in the way of that just a few years ago. We missed her then and will miss her now. Prayers for all of you. The joy is that she is whole again and has reached

her eternal reward. Love you all and will be thinking of you as you go through this difficult time. from Betsy Keyes Scrivener
