“ Doris and family. My deep condolences go to you on the death of Jim. I enjoyed working with him when I was Seabrook Town attorney. He always was clear and strong with his opinions but even more strong with knowing the right thing to do for his family as in stepping up and raising his greatgrandchild when that need arose. Great work both Jim and Doris! I told Jim that he was a hero to me when I found out how great he kept in shape by using US military service calthastetics at levels that were far ahead of men 40 years younger. Rest in peace my friend.
