

Jesse R.T. Simons

May 3, 1987 - May 31, 2021

Hampton---Jesse Ronald Thomas Simons passed away May 31st, 2021 at the age of 34. He was born on May 3rd, 1987, in Portsmouth, New Hampshire.

Jesse was full of life. His happiness was contagious. He handled even the toughest situations with a positive outlook, a joke, and a smile. Jesse was a gentle giant, but a fierce protector of those he loved. When Jesse gave you a hug, you instantly felt everything was going to be okay.

Jesse truly appreciated each and every day. He loved the people in his life. His family and friends were always number one. Since Jesse was young, he has always enjoyed helping people and would go out of his way for someone who needed him, no questions asked.

Jesse loved music, and his beats headphones were his favorite accessory. When Jesse wasn't working construction, he was with his family. He was an incredibly devoted Father, and could be found every Saturday in the YMCA pool with his daughter Stella, for swimming lessons. He could not have been a more hands-on dad. He was truly a family man, and his children were everything to him.

Jesse's true passion was fishing—he cherished the times when he worked on boats. For him there was so much beauty and peace to be found out at sea. Jesse also enjoyed traveling the country with his friends while working for Servpro in his 20's, and often brought up the fond memories that were made in those years.

Jesse will be so incredibly missed. He leaves behind his beloved Father Michael and his loving Mother Carol, with whom he shared an extremely special bond. He was her “Jesse boy”. Jesse is also survived by his fiancé Nicole, and their children Stella and Houston, who were Jesse's entire world; his siblings Michelle and Crystal, many nieces and nephews, aunts, uncles, cousins, and friends.

While Jesse leaves behind so many loved ones, he is finally reunited with his brother

Shawn.

We appreciate so much everyone's condolences, support, and the happy memories you have shared.

“ I'm so sorry to hear of Jesse's passing. I grew up with him in Hampton and every time we ran into each other it was always great to see him. We were friendly all through school and while we didn't spend much time together, I always knew I had a friend when I saw him. God bless.

“ Jesse was another son to me. He spent many times living with his father and I in Florida. I will treasure all those memories...one that stands out was during Hurricane Charley. It was the eye of the storm and he and my son,Josh ran outside in the pouring rain laughing like little kids running down the street almost getting blown away...the pure joy on their faces! Priceless! My heart goes out to his family especially his children...loved seeing all the pics of him with them...such a great dad! Rest easy Jesse...the 3 Musketeers are reunited...Jesse,Shawn and Josh! Love your stepmom,Laurie
