“ Mark, Jeff, Cynthia,
I was sorry to hear of your mothers passing, my condolences go out to you and your families.

Your mom and dad were friends with my parents, they met when your folks were in Portsmouth and your dad was teaching at the high school. They used to do a lot together. They kept in touch after your folks moved to Mass.

I remember visiting them at their camp (Graylaig, I think). It was a weekend I still remember and talk about. I got to meet Bob Cousey and some of the other Celtics of the day, and enjoy the lake and other activities while visiting.

Your mother was a very nice woman and a good friend to my parents.
I hope the happy memories from your life with her help you through this sad time.

“ Dear Mark, Jeffrey and Cynthia. Way back when we were children I and my brothers lived in your neighborhood and there were many times I enjoyed some sport activities at your home, next to the Heavener's house. I am so sorry to read of your mother's passing and pray that you will hold tight to her precious memories. One time when things were very difficult at my home your mom and dad arranged for me to attend the basketball camp in New Hampshire. It was a week I will never forget, nor have I forgotten their sweet tender way of comforting me as I rode up in thier car. I think of your parents as saints and share this story with my 12 adopted children and 6 grandchildren every Christmas Season. Thank you for sharing your folks with me. I know that their memory will remain forever rooted in my family. Peace to you.
