“ We at American Legion Post 35 in Hampton are saddened to hear of the passing of our friend and comrade, John Holman. A 67 year member of the Legion, he served as Post Chaplain for many years. As was characteristic for John, though, he did so much more! He taught our school children about the flag, delighted in giving out the Legion school awards, and ensured that our veterans graves were decorated for Memorial Day. The bronze street signs in Hampton named in honor of our local veterans are a testament to his unwavering commitment to our veterans! John’s father, Marshall, was one of the founding members of our Post, and we all appreciated John’s vast knowledge of the history of our Post and of Hampton. John will be remembered not only as a town historian and patriot, but also for his sense of humor!

On behalf of the over 300 officers and members of American Legion Post 35, I would like to offer Melanie, Frank and the rest of the Holman family our deepest condolences.

“ Sending our love and sympathy to Melanie, Frank and the kids. We are thinking John and Howie are up there singing "Jimmy Crack Corn", laughing and having the time of their lives. A big piece of Hampton history and knowledge has gone with your Dad.

“ What a GREAT photo of John..... I feel he is taking off his jacket and hurrying to see his beloved wife Connie in heaven.
I have SO MANY wonderful childhood memories of John & Connie (Mr. & Mrs. Holman until I became an adult). They were so kind to my sister and I throughout the years of our church school involvement to the Hymnal Singers they directed as our youth choir leaders. We would all meet at their home and climb down their basement stairs and afterward the most delicious cookies and punch awaited us.
If ever I needed any history for our church, The Hampton United Methodist Church, he would oblige in detail with stories that were so full of life and love.
I believe that he and Connie are the truest of angels and they are why I went to work there from 1984 until present.
God bless you, John and please give a hug to Connie for me!
Blessings and prayers to his daughter and family.

Love, Laurie D

“ I worked for John's Dad, Marshall Holman, from 1964 to 1966 on the farm. At the time John was the produce manager at 1st National on Rt 1 in Hampton. It was probably the best years of my life! One of the saddest days was when Marshall passed away! Rest in peace John! You were a great man like your Dad!
