“ Dear Mr. & Mrs. Brown and Arthur,
My heart is aching at the loss of my soul mate and I send my love and prayers to you at this most difficult time. While we didn't see each other except rarely following college graduation she has always been in my heart. Julia was my ERRR, my Roo. We spent hours on the phone, laughing and talking about life, loves, and who we would become. Summers we were inseparable, whether spending days at the beach, rainy afternoons in the basement listening to the latest Beatles album, or up in the haymow at the farm in Hampton Falls playing with the newest litter of kittens. Mutt and Jeff, peanut butter and jelly, best friends forever. My beautiful, kind, loving Julia. Your home was a second home to me, always open , always warm and loving. Thank you for those years, the love and for sharing Julia with me. I am richer for her in my life!
All my love! Becky Burwell Corvey

“ Julia was a friend and classmate for 12 years in the Hampton school system and I can fondly remember those times when she arranged for an antique car to be brought to school to the delight of our class. It was always a treat to bump into her in the Hampton Hannaford for a quick catch-up chat. May she live on in the hearts of all who knew and loved her and may she rest in peace.

My thoughts are with you during this sad time. Although we had not seen each other for many years, Julia remains in my heart as a true friend. I'll never forget touring the seacoast in the dune buggy and talking "math" for hours on the phone. I feel blessed to have known her.

“ Dear Mr. and Mrs. Brown

I was so sorry to learn of Julia's illness and death. It is so incongruent with the Julia I knew to imagine her suffering this fate. I know that you have suffered too and I am so sorry for all of you.

I think of how much fun we had in law school and how we helped each other enjoy it as much as something that difficult could be enjoyed. She was so young and courageous to leave her beloved family to pursue her law degree in Michigan. I know much of that courage came from the strength of her family ties which I always admired in all of you.

I hope your good memories of her life bring you comfort in the years to come. To me I will always remember her as that young law student and it is a great memory full of the charm of youth and promise.

Sincerely,
Laura Baird

“ I worked with Julie for almost 20 years, both when I was a prosecutor and much more often while a defense lawyer. Her friendly smile put many a young driver at ease, when brought in to the Department of Safety. She had a great inner confidence which allowed her to be both friendly and fair in the role of hearings officer. Most importantly for me, I miss her happy and warm greetings these days when I head over to Concord with a client.

“ Julia was quite a combination of intelligence and beauty. It was my pleasure to escort her to our junior prom so many years ago. I remembered being so nervous but she had such a kind way about her that I soon just enjoyed being with her. Life takes us in many different directions but I'll always treasure those days and her smile. My thoughts and prayers are with you all.

“ I was a friend of Julia's in Haslett, Michigan. We lived in the same apartment complex when she went to Law school. We shared many conversations and good times. Her quick wit and smile will always be remembered. I recall her bringing live lobsters back from a trip home and she cooked them and shared one with me. Even though we lost touch, I have sweet memories of her and I send my deepest sympathy to her parents, children and family.

Most sincerely,

“ I am very sorry for your loss. You may find comfort at Revelation 21:4, “And he (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” We can look forward to the time when God will take away all reasons for distress and even gives us a hope of a resurrection. (John 5:28, 29)

“ To Stan and Jewell, Arthur and Julia's children - I am so sorry to hear of your loss. I remember Julia as such a pretty and bright girl - and know she was so accomplished. My Dad always spoke of her with admiration, and she and my brother, Rick, were friends long ago. I certainly understand how hard it is to lose a loved one far too soon, but especially first, to a terrible illness such as Julia's. I know that she is at peace now where there is no illness, in heaven. Our thoughts are with you all at this difficult time. Lisa (Ross...and Ted) Gupton

“ I am very sorry to hear of Julia's passing. She was so young. Back in the eighties she would walk across the street to my store and we would sometimes talk for an hour about politics, life or sometimes nothing important at all, just passing the time with a coffee or soda. She was truly a wonderful person. My thoughts and prayers are with you.
