“ Enduring Grace was purchased for the family of Kathleen F. Fiore.

“ My first memories of cousin Kathy were at Old Orchard Beach, Maine, where she used to spend time with us in the summer. She and my mom, "Aunt Winnie," loved each other so much. She was my "cool" older cousin with her strawberry-blonde ponytail swinging as she walked. My heart is at peace for you, finally, as I picture you and my mom sitting on a bench at the beach, watching the waves, smelling the salt air. Thank you, sweet Kathy, for the fun times, as a kid and again in the grown-up world. For your love, your friendship, your stories, tinged with just enough sarcasm along with the humor. You are smart, outspoken, funny, creative - I will always lovingly remember you as my "spitfire" cousin. Someday I'll join you and Mom on that bench at the ocean.

“ Terry I am so sorry to hear about your mom, she was a little spit fire of a little lady. We do and will miss her at market basket,when I heard she passed on Christmas I thought how hard that was, but then I thought as you said Christmas was her favorite day of the year and she was just waiting for that day to spread and bring Christmas joy to heaven.She is there with her Christmas sweater and elf hat on and sharing her love.God received a very special angel that day. Sending you my condolences to you and your family.
