

Kathleen A. Larkin

November 12, 1938 - April 30, 2015

Hampton - Surrounded by family, Kathleen Ann Larkin, 76, a resident of Hampton for over 40 years, passed peacefully in her home on April 30, 2015.

Kathleen was born November 12, 1938 to the late James and Elizabeth (Baker) Casey, in Bridgeport Connecticut and was the sister to James Casey, Jr., Thomas Casey, Elizabeth Daley, and Fran Smith.

Kathleen grew up in Bridgeport and graduated Central High School in 1956. After high school she worked at The Bridgeport Brass Company for nine years. On June 13, 1964 she married her lifetime companion of fifty years, Richard Larkin. After moving to New Hampshire in 1972, she pursued a career in nursing where her passion in caring for others lead to a thirty-six year career as a nurse. She spent the first thirteen years of her nursing career at Exeter Hospital and then transitioned to the Seacoast Visiting Nurse Association, where she created a diabetic education group and continued to reach out and touch the lives of the people in the community.

An avid reader and detective at heart, Kathleen could often be found sitting at her kitchen table with a cup of tea and a detective novel in front of her. She had a love for ice cream, her cats, enjoyed gardening, watching the birds on her feeders and spending time laughing with her family and friends. As a kindhearted and generous person who never met a stranger, she had a practice of inviting anyone in need to her home for dinner, especially during the holidays. Her warm smile and loving nature impacted the lives of everyone she met. She was a beautiful, gentle soul and will be greatly missed.

Kathleen is survived by her loving husband Richard and her two daughters and their families: Kara and Rene Rivero, Korina and Ben Martin, Kimberly, Thomas, Kasey and Kaitlyn Kelliher.

“ My deep condolences to Richard. and family, and dear friend Pat Vivencio.. Kathi was an incredibly giving, generous, dedicated friend and nurse. As a coworker at the Seacoast VNA, I treasured her. Her smile, voice, and ever positive attitude reflected the beauty, dignity, and strength of her character. Heaven has another angel.

“ My thoughts and prayers of strength and peace to Kathy's family. I had the honor of working with her at Seacoast VNA and will always remember the day's of laughter at our many community clinics that we worked together on. Between her and her coworker and sidekick Pat, Halloween was always a great holiday to celebrate. I will miss you much Kathy, may you be at peace. Kelly Dowd

“ Our thoughts and prayers are with you and your family "Mick". Ed and my life together would never have been if not for Kathie telling me that there was this guy she worked with that I should meet. Over 55 years of friendship lives on beyond the bounds of life on this plane. Kathie was truly that old friend of gold. She was most kind, caring and compassionate, full of fun and true strength She was able to laugh at a funny old memory even in the midst of much sickness and pain. We will miss her deeply but know in our hearts that she is at peace. Love, Nancy & Ed
