

Kathy M. Brown

November 22, 1960 - September 14, 2020

Stratham – Kathy M. (Nerney) Brown, 59, of Stratham, passed peacefully Monday, September 14, 2020 at her home surrounded by family and friends after a two-year battle with ovarian cancer. She was born November 22, 1960 in Lawrence, Massachusetts.

Katie was raised in South Lawrence and graduated from Amesbury, MA High School with the Class of 1978. She was employed as a medical office assistant in the chiropractic field for over 20 years and for the past few years served as the office administrator for the Stratham Community Church.

But for Katie, family was most important. She spent years as a stay-at-home Mom raising her daughters. Her greatest joy was becoming a “Gigi” in 2019 to her grandson Ciaran, who she also cared for out of her home.

Katie made her home in Stratham in 1991 with her husband, Tim of 36 years. She was a member of the Stratham Community Church, an avid reader, and fiercely loyal friend to many.

In addition to her husband, Timothy K. Brown, she leaves two daughters Keri O’Shea and her husband John O’Shea of Stratham, Taylor Broom and her husband Christopher Broom, Jr. of North Hampton, her grandson Ciaran O’Shea, as well as several nieces and nephews.

Services will held at a later date at the Stratham Community Church and will be announced by the Remick & Gendron Funeral Home-Crematory, Hampton. In lieu of traditional remembrances donations may be made to Girly Girl PARTS(<https://www.girlygirlparts.org/donate>) a pre-screening awareness organization to silence ovarian cancer.

“ Keri and Taylor- I was so sorry to hear about your mom. Whenever she came to school for parent/teacher conferences or when I ran into her around town, she always had that beautiful smile and a special kind of warmth. She was so proud of her daughters and both of you are a wonderful reflection of her. My thoughts are with you both and your dad.
Fondly,

“ I met Kathy (Katie) in typing class. In Amesbury high school. We became fast friends, inseparable. Fast forward, we were there for each other thru marriage and those days when we couldn't get pregnant. We had such great times together raising our families. Fast forward, grandbabies. Such fun. Then the horrid word...cancer. rides to chemo preparing meals, visiting you to lift her spirits. You and I driving to big moose and getting lost as we missed the exit but we got back on track. Such great memories. I have prayed for you each night asking for a miracle. I hope you are at rest and knowing how much I love you.
