“ Kelly & Family,

I am sorry for your loss. My heart sank when I heard the news. I always looked forward to seeing Lenny and giving her a hug at the Hampton Seafood Festival every year. She was fun and full of life...a firecracker. She will be deeply missed and the festival won't be the same without her presence.

“ We were shocked and saddened of the news from the Chamber of Commerce with the passing of Lenny. She made the Hampton Beach Seafood festival a fun and exciting experience. We looked forward to seeing Lenny and Teddy each year. It was just this past show we learned of Teddy's passing. They were both wonderful people and we will miss them immensely. “ Kelly,

Your grandma Agnes was my adopted grandmother at Sacred heart School in Hampton. Every year Lenny made our whole class individual gifts with our names on them, she continued to do this even after your grandma passed away. I still hang them on my tree! I saw her at lots of craft fairs through the years and she always remembered my name. I am sorry for your loss. She held a special place in my heart I will miss seeing her at the fairs. Our condolences to you and your family.

“ Oh my, yes! And she was definitely so supportive of Outreach at OLMM. I remember her supporting several Kidney Walks back in the day. Rest in peace, Lennie!

“ Kelly and family,
I am so sorry for your loss. It is always difficult to lose a loved one. Please take solace with that fact that Lenny and Teddy are looking down on you.

There are so many wonderful memories of your mom. I remember for my birthday when I was little Lenny made me an Bubble Yum countdown to Christmas. There was a piece of gum for each day until Christmas. I couldn't wait until Mom came home from the salon so I could have my birthday gum each day.

My thoughts and prayers are with your family during this difficult time.
