“ To Lillian's family,

I am so very sorry to hear of the passing of Lillian. I worked in the same office building with her for many years. We had many wonderful conversations as we both ending up meeting each other and chatting at the mailboxes and the ladies room! What a wonderful, super hard-working woman she was...I was always in awe of her energy. This news makes me very sad. My condolences to all.

“ Sending my heartfelt condolences to Lillian's family. I, too, work at Wellesley Dental Associates on Linden St and just learned of her passing. I had known Lillian for twelve years in passing through the hallways and in having brief conversations. She was such a lovely, and hard working woman. We will miss her.
