“ My prayers go out to the family during this extremely difficult time... Please find comfort in knowing that Peg and her son are together in Heaven, and I know in my heart as a mother that lost a child that Peg wouldn't want it any other way. She was a wonderful women that loved her family and friends so much... May God Bless them both, and may He give the family peace in knowing one day we will all be together again

“ To the Weare Family, especially Al,  
It is entirely unfair to lose two family members in one week. I extend my heartfelt sympathy to you. I have pleasant memories of seeing both Peg and Al in my office for many years.
