“ Dear Ken, I saw the obituary in Valley News yesterday here in Hanover. I am so sorry for your loss. I remember Marietta's warmth, outreaching friendliness and kindness and learned so much more from the write-up about the many diverse interests in her life. I was interested to learn of your own history in the restaurant business in Lebanon and New London. I counted you as a good friend of mine at PEA and miss your cheerful morning greetings! Will try to get your address and send you updates on my life. Carol Sandin Woodruff.
