“ My favorite memory of Mary and Minnie: Minnie always knew when she saw me that a super good treat was coming so she would pull Mary toward me the minute she saw me. Mary was such a good friend and always complimented me when Vivi had a good run. I will really miss her and Minnie. Rest in peace, Mary.

“ I feel so honored to have been able to introduce Mary and Minnie to the great sport of agility many years ago. When she first came into my class, she said she didn't know much about agility, but she had watched a couple classes and thought it looked like fun. She said Minnie had a lot of energy, and needed something to do, so thought they'd give it a try. She warned me that she wasn't a very good trainer, she'd never been able to get her last dog to even shake hands. Ha! Minnie LOVED agility and she and Mary became a terrific team. While she had no intention of COMPETING (heavens!!) when she first started out, she and Minnie worked really well together. I encouraged her to give it a try as I thought they'd enjoy it, and make some great new friends. Famous last words! She sure did!

I loved working w/ Mary and Minnie, and in later years watching them run. Sometimes Minnie got a little creative w/ her courses, sometimes Mary got lost ... but no matter what happened in the ring, it was obvious that they were having FUN together, and that is what it is all about. I still tell Mary and Minnie stories to my students from time to time. Loved them both! Feel free to give Chip a couple runs 'up there' while you are waiting for Minnie to join you.

“ I've know Mary for 14 years through agility. She was one of the sweetest and kindest people I've ever met. It was always fun to see their team work, and they accomplished so much in their steady way. I will miss seeing her at trials. My sincere condolences to the family.

“ Mary and I met many years ago st agility- we shared a common bond running Spaniels that sometimes liked to go the wrong end of a tunnel. Many times Mary would say "what are the Spaniels going to see" and " I am glad you are going first with Sherman so I can watch you guys". Always modest with her success she would attribute it to Minnie. The bond and relationship they had was amazing. In the past few years, I watched out for Mary as she struggled with the same disease as my mom and graciously she let me. Mary, you were a true ambassador for our sport, I am proud to say you were my friend and will miss you. The whole agility family is sad for your loss.

“ Mary and I met in agility class and the Cocker Spaniels - Minnie and Holly - bonded us as best friends. We shared many trials, birthdays and fun times together. Mary was a very sweet and caring person. There are no words to express my sorrow in her passing. I will miss her so much.
My condolences to her family and Minnie as I know they will miss her.
Rest in peace Mary.

“ We shared many weekends with Mary and Minnie playing agility. She was always a fierce competitor, but always kind and supportive to all. She encouraged Paris and I when we were new to the sport and cheered for us when we started to become a team. Most importantly, she laughed and celebrated with us along the way. I consider myself truly blessed to have met and known Mary. She was very special, and my life is better for having spent time with her. I will really miss her when I'm walking a course and she's not standing on the side, plotting her run while she watched us walk, or when I'm standing in the line up to run and she and Minnie aren't there.

Rest in Peace Mary.

“ I shall miss you my friend and my partner...Minnie and Dakota shared many a pairs run together. They were the perfect complement for each other & I never had a better partner. For many years Minnie and Dakota lined up next to each other in the agility line waiting for their turn to run. Thank you for helping to create so many special memories. R.I.P.

“ I enjoyed many fun times with Mary Cath during our Keith Hall years. She was the best manager of the basketball team! Bowling, playing cards and visits to the Emmott cottage at Hampton are special memories. Even in those youthful years, with her quick wit and caring way, she imparted words of wisdom to a younger friend. Rest in peace in the arms of the angels, Mary Cath.
