

Mary E. Havey

December 23, 1935 - July 28, 2021

Hampton, NH – Mary E. Havey, 85 of Hampton, formerly of Orono, ME passed away peacefully surrounded by her beloved children, on Wednesday July 28, 2021 at Port Healthcare in Newburyport, MA. Mary had battled many illnesses over the last few years and was a fighter who never once complained. A trait she found admirable in her own father.

She was born in Bangor, ME on December 23, 1935 and raised in Winterport, the daughter of the late William J. and Frances R. (Eldridge) Hewitt, Sr.

Mary graduated from Gould Academy in Bethel, ME and continued on to Boston University's School of Nursing becoming a Registered Nurse, a career that fit her kind and gentle personality well.

Mary spent her early years raising her children in Billerica, MA where she met her lifelong best friends who together embodied the term "it takes a village" by creating a place where every house on the block felt like a home to the neighborhood children. In 1980, Mary moved to Orono, ME, where she continued to involve herself in her local community. She was employed by Community Health & Counseling in Bangor, ME and was active in the Orono Methodist Church, where she served as a Sunday school teacher. She was also active with the Order of the Eastern Star.

After summering in Hampton since 1972, Hampton became her year-round home in the early 2000's, and she became active at the Hampton United Methodist Church and a member of the Hampton Walkers, where she made many new and lasting friendships and was dearly beloved by all who knew her.

Family was everything to Mary and she found her greatest fulfillment as mother of her seven children and in her later years as "Grammy" to her grandchildren but her love reached far beyond her family. She was the type of person who had a kind word for everyone and put people above all else. She made people instantly happy for having met

her, and always had a listening ear. Mary was full of wisdom and had a wonderful way of making people feel especially loved and important. While always up for an adventure, evidenced by her many trips taken with family across the globe, Mary certainly knew how to enjoy and be content with the little things in life and was an example to us all.

She was predeceased by her husband Richard Havey, the father of her children, Robert Hall, her son Edwin Hall (Allison) and her brother William Hewitt, Jr.

Mary is survived by her six children, Laurie Albert (Madison) of Winterport, ME, Robert Hall, Jr. (Kasey) of Winthrop, MA, Eric Hall (Mary) of Andover, MA, Sara Belisle of Kensington, William Hall of Winthrop, MA, Ellen Hall of Newton, MA and 14 grandchildren.

A visiting hour will be held at 10:00 a.m. on Saturday August 14th at the United Methodist Church, 525 Lafayette Road, Hampton with services immediately following at 11:00 a.m. In lieu of flowers, donations may be made to Big Ed (<https://biged.org/donate-now/>) 183 State Street, Third Floor, Boston, MA 02190. Big Ed is a charity created in memory of Mary's youngest son Eddie to benefit people being treated for cancer.

“ To dear Mary's family,
I shared only a season with Mary when I was pastor at Hampton Congregational Church and she was a Hampton walker along with many other Hampton walkers who were part of the Hampton congregation. During the season of my knowing Mary, she changed my life by her courage, honesty and incredibly resilient warmth. She came to a "Blue Christmas" service for those who had lost someone; she joined the Bible studies and came to worship, as well as some potluck suppers. Her struggle with Eddie's death was her entry point into our shared life and it was to our great credit that Mary entertained her anger with God, her deep despair and her struggle to have faith after such a deep loss right out in the open - with no holds barred. We learned so much about how a mother loves her children; how sacrifice works, how strong the power of love and hope are in the human heart and so much more. We watched Mary and all of you as you turned this painful loss into a project to help others and we saw how her remembered pain became a gift that led to gratitude and healing not just in herself but in others who were recipients or witnesses of the goodness done in a beloved's name.

Mary was a healer, a warrior, a winsome and enduringly kind spirit and I miss her here on earth where such rare and beautiful souls help us by their shining. Her life blessed many and in her wake of kindness we have all become better persons than any of us imagined we could be! Thank you for sharing your beautiful Mom with us!

“ Wonderfully written tribute to Mary which fit her to a "T" - her smile says it all. She was greatly missed and is fondly remembered by the Hampton Walkers. Jo Ellen Pirie

“ Sending our love and prayers to the Havey & Hall Family. Mary was an impressive lady with the warmest smile and generous heart. Her children are some of the finest people we know, who will surely carry on her legacy of family and love.
