Rye – Mary A. Philbrick, 91, a resident of Rye since 1948, passed away peacefully surrounded by family on Thursday, November 26, 2020.

Mary was born in Boston, MA on December 24, 1928. Mary was one of three daughters born to the late Richard and Mary Ahern. She grew up in Boston, MA and Cape Breton Island, Nova Scotia, Canada. Mary eventually moved to Rochester, NH and graduated from Spaulding High School.

Mary met the love of her life, George O. Philbrick in 1946 when George was on leave from the Navy. The love story continued and George and Mary were married in 1947 and started their life together in Rye. While raising their six children, Mary and George started their first business, Philbrick's Garage in Rye. In 1965, Mary and George then started Philbrick's Sales and Service in Rye and eventually moved the business to North Hampton. Mary extended her community involvement as Treasurer of the North Hampton Business Association, as a member of the Catholic Women's Club and as President of the Rye Junior Women's Club.

Mary was devoted to her family; she was a wonderful cook and a gracious hostess. Mary was an inspiration to many and with grace, class and warmth transformed the lives of those she touched. Mary loved Rye and her Cable Road community; her generous, loving spirit helped shape the unique character of the Cable Road neighborhood.

Mary enjoyed wintering at Half Moon Bay in Palm Beach County, Florida for the past 30 years where her same generosity nurtured a spirit of inclusive community. Mary loved spending time with family and friends, whether it be on Cable Road or at Half Moon Bay.

Mary and George shared 56 years together in a marriage where love prevailed through tragedy and happiness. George O. Philbrick predeceased Mary in 2005. Mary was also predeceased by her daughter Jackie Ann, her son David and her sister, Rita Rogers.

“ Mary will have been a model of honesty and sincerity that inspired us all. She knew how to understand everyone and easily found the answers to our questions. A woman of comfort, of peace who always knew how to make those around her shine. She was a great mentor.

Mary was compassionate, generous and caring and she always wore that beautiful smile of hers. She knew how to give comfort to everyone around her and how to make people feel comfortable. In conclusion, she was a dear friend and a mother any child would have wanted.

Have a good trip my dear Mary and a happy reunion with your dear George.

Michèle and I will never forget you.

“ Can a person smile too much? Can a person be too gentle? Can goodness be too concentrated in one person? Mary Philbrick – you fine lady were over the top. We know that you did not mean to but you have caused a lot of pain back here on earth. Shame on us for being so selfish of you. Walk on through the tulip fields, Breath the roses in deeply. Converse with the stars. Wallow in chocolate. Throw open your arms and heart to the thousands who come to greet you. We shall see you again and soon enough. Esther and I love you. We miss you already

“ Childhood memories safe and carefree of summers spent on Cable Road with you.. One more was never a problem in the Philbrick house and you always had more than enough love to go around(and some discipline too!) Your gentle guidance helped me to become the woman I am today, and I am so very grateful for having you as my Aunt.

“ Great Grandma Mary was a special women she brought so much joy to many people and she had such a beautiful soul. My favourite memory I have with her is when we were baking no matter how messy the kitchen was we just enjoyed it and made those little things count. She has a big heart always trying to make sure those around her were enjoying themselves, she spread her positivity to everyone around her, she was supportive, helpful, very smart and she was down to earth. Her memories live on and she will never be forgotten. Love you Great Grandma Mary

“ Good memories of family gatherings at George and Mary's Rye home during the 70's and 80's. Mary's smile and good nature was always in the forefront of those visits. She was always welcoming and attentive to each guest. A beautiful loving lady to me, her sister-in-law at the time. Alberta Sanford Snow
