“ Nancy and I were friends back in the day. We used to go with our dads to Hoods Pond to help get it ready for the summer... We used to joke around a lot on how tall I was and how short she was.. Many memories from when we were kids.. My thoughts and prayers go out to the family and many friends she had made along the way..

“ Nancy was in Girl Scouts with me and my Mom was the Leader, for many years. Mrs. Thing pierced my ears with a needle and potato, standard back then. Nancy was always a kind soul. My sincere condolences.

“ I met Nancy at a knitting group several years ago. For awhile I would take Nancy to and from these knitting sessions and she would always keep me laughing on that short trip. It gives me comfort to know she is with our Savior now and that someday I will see her again. She will be greatly missed by anyone who had the privilege of knowing Nancy.
