

Pamela L. Saunders

December 23, 1966 - June 28, 2021

Barrington – Pamela L. Saunders, 54, a longtime resident of Hampton, passed away peacefully at her home in Barrington, NH on Monday evening, June 28, 2021. She was surrounded by her husband and three children at the end of her courageous 3-1/2 year battle with Neuroendocrine Cancer.

Pam was born in Riverhead, NY on December 23, 1966, the daughter of Bill and Kathy Trotman. Her family relocated to Hampton in 1976 where Pam attended Sacred Heart School and Winnacunnet High School. She met Kevin, the love of her life, Sophomore year in high school and they went on to build a beautiful life together. Pam received her Bachelor's Degree in Business (Fashion Merchandising) from Rivier University in Nashua, NH in 1989.

Pam and Kevin were married in 1989 and ventured from the seacoast to Chicago and Milwaukee. Pam was employed by Kmart Apparel Corporation and Graybar Electric during the years away from New Hampshire. In 1993, they returned to Hampton to be closer to family, and to start a family of their own. Pam became a full-time mother to Anna and Christopher in 1995 and Wil in 1998. Her children were her pride and joy. It was the role she was meant to play and she raised three wonderful children.

In 2005, with the kids in school, Pam played a pivotal role in starting a business with her husband representing electrical manufacturers in New England. Pam thrived on providing friendly and knowledgeable customer service from their office in Hampton. Pam later joined The Galley Hatch Restaurant in Hampton, ultimately fulfilling the role of Bakery Manager at Kay's Café. The Galley Hatch was her extended family, and she loved the connection it provided to the seacoast community.

Her cancer diagnosis in early 2018 was clearly a life altering moment. After the disappointment and distress of learning of her condition, Pam rose to become her own best advocate in her battle against the disease. Pam researched tirelessly and her doctors often commented about how well versed she was in the various treatment options they

discussed. Pam found success at Ochsner's Neuroendocrine Tumor Clinic in Kenner, LA and for 5 months in late 2019 was cancer free. She traveled widely in search of treatment and always stopped to appreciate those she met along the way.

Throughout her life, her faith was her foundation. Pam was a communicant, and served as a Eucharistic Minister, at Saint Theresa Parish, Rye Beach, NH.

Pam is survived by her husband, Kevin, her parents Bill and Kathy Trotman (Hampton), by her children, Anna, Chris and Wil, her daughter's boyfriend Troy Collins, and by her sisters and their husbands Tracy and John Kelly (Hampton) and Kim and Brian Kubit (Pelham). She will be dearly missed by her in-laws, Lee and Mary Eileen Saunders (North Hampton), Mark and Mary Saunders (Stratham), Brian and Jennifer Saunders (So. Portland, ME), Erin and Adam Braunstein (Thorton, CO), and Jennifer and Matt Burgeson (North Hampton), along with many nieces and nephews. Pam was also very grateful for the support during her cancer battle to her aunt and uncle Carol and Bob Triggs, and their children, Pam's cousins, John and KeKe. Her beloved Labrador retrievers Rory, Jet, and Ruby will miss her very much as well.

Visiting hours will be from 4 to 7 PM on Tuesday, July 6, 2021 in the Remick & Gendron Funeral Home – Cremator, 811 Lafayette Rd., Hampton. A Mass of Christian Burial will be celebrated at 11 AM on Wednesday at the St. Theresa Parish Church, 815 Central Rd., Rye Beach. Burial will be in Center Cemetery, North Hampton.

“ I was only an acquaintance of Pam. Met her at the Galley Hatch some years ago. She was such an amazing person and I was always so happy to see her and chat a bit. I was so shocked to see that she passed. My heart is breaking for her family and friends. Gone too soon. May God hold her in the palm of his hand.

“ Despite everything cancer had thrown at Pam, she managed to rise above the terrible disease by living each day to the best of her ability with a positive attitude. Pam never lost hope and did everything in her power to halt the progression of this disease. She managed to live life on her own terms in the face of devastating illness. Pam was a most amazing person and will always remain my hero.

“A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles.” - Christopher Reeve

Your memory will never fade. Rest In peace, Pam.

“ Pam was so brave in her fight against neuroendocrine cancer, which is very rare. Early on after her diagnosis, I went with her to a doctor appointment in Boston. On the way back, traffic was heavy so we stopped for dinner in the city. We had a great meal and discussion focused on hope for the future.

Later in 2018, I met Pam & Kevin in New Orleans after Pam had major surgery. She was doing so well that she was able to go home earlier than expected. On a second trip with Pam to New Orleans in 2019, we were able to enjoy more dinners together and even some shopping.

Kim and I will always cherish the time we spent with Pam throughout her life. We will miss our big sister dearly and love her forever.
