“ We were friends of Pat and Wally through our North Shore German Band, and we so enjoyed our many gatherings of practices at our homes and band performances. Many wonderful memories! Pat was always ready for a good time and laughter -- and brought both to our get-togethers. After Wally died, we met for lunch many times and always had such fun. Susan, although we've never met in person, your Mom spoke of you so often and lovingly, I feel I know you. She was so proud of you and your family, and you were such a good daughter! May God's love strengthen and hold you during this difficult time. Love, Jackie and Jack Meers, Ipswich MA

“ Pat and my mom became friends when I was two years old. She was a very special, kind and giving person. I have so many fond memories of her on South Hampton Road and our trip to Alaska when I was a kid. She was so good to me and my children. She got my son the new Hess truck for Xmas every year. We will miss you Pat. Love Beth, Brennan & Rachel.

“ Pat was a very vibrant person at Appleton Oaks. We shared so many great memories at the building or when out to eat. Pat gave more of herself than many could receive; Bill and I were very fortunate for her love and grace. Pat loved all our grandkids as if they were hers. Pat, you will always have a place in our hearts. Carol and Bill Spencer formally from Appleton Oaks; now in Clarksville, TN
