“ We are so sorry to hear of the loss of your Mother,(Sister, Aunt, & Grandmother). Pat was very friendly and gracious whenever we met. I remember knocking on her door once, very nervous about asking if she would sign a petition. She put me at ease right away. I admired her butterfly bush, and next thing you know, we talked for an hour or more about flowers and hummingbirds! She was so sweet. Our thoughts & prayers are with you. In sympathy, Shelley Sullivan & James Oliver

“ I am so sorry to hear about the loss of your Mom. Mrs.Vajgrt as I always called her was one of the nicest ladies. I hung out with Paula, and I spent time at their home, and I was always made to feel right at home. I for one can say she was a wonderful cook, I had my first ever Shish Kabobs at her home... She never changed over the years, she would come through my line at Shaw's and she was always smiling, and just as happy to see me, as I was to see her. My thoughts, and Prayers are with the family, and may you have peace in your heart knowing she is with all her loved ones that went on before her. My love to you all, Liz

“ I have over 50 years of memories of my Aunt Pat, all are wonderful. She loved her family and would do anything for all of them. I would say the most recent memory that makes me smile and reminds me of how she was always capable of playing games on her sisters. she helped us keep a secret of my mom Evelyn's surprise 80th party. Her willingness to be able to "trick" her youngest sister into a party was funny. Since i wouldn't lie to my mom, Aunt Pat said she would take the flack cause she was older and it could get away with it . And she did it with the BEST Laugh and BIGGEST Heart.

I will never forget her big heart full of love and enough for everyone. I am sure i will come back on and share more memories because i have a lifetime to share .

Love You Always Aunt Pat
