

Patricia R. Quinn

September 9, 1947 - November 17, 2016

Rye - A beacon in the Seacoast of New Hampshire was recently extinguished. Patricia "Tricia" Quinn, 69, a wife, mother and public servant who was the bright light of her marriage, family and community, passed peacefully into the loving arms of Our Lord on Thursday morning, November 17, 2016 at Portsmouth Hospital. After a short but tenacious bout with cancer, she died in the loving embrace of her family and relatives who kept vigil during her final hours.

Tricia was born in Frederick, Maryland on September 9, 1947 to Philip N. and Mary Francis (Croghan) Rebert. She grew up in this Maryland community and attended local Catholic schools. Following high school, she attended secretarial school, as well as Frederick Community College, achieving her AA degree in business. She worked for the Selective Security Administration prior to her 1971 marriage to Jeffrey A. Quinn of Mt. Airy, Maryland.

In 1974, Tricia relocated with her husband to the New Hampshire seacoast community of Rye to live and raise their family near the Atlantic Ocean. She is survived by her husband and their six children; Briony Rebecca and her son, Donovan Quinn Tait (Bethesda, MD), Colleen Frances, Sarah Elizabeth, Patrick Croghan and his wife, Caitlin Delaney, and their daughter, Josephine Delaney Quinn (Rye), Anne Catherine (Washington, DC) and Molly Maureen (Rye).

While raising a large family, Tricia became the surrogate mother for many neighborhood children. Her home was an informal day-care/ safe place for many families in Rye. The Cable Road home was a hub of activity in the neighborhood through many formative years of local children. Many childhood memories of a warm, receptive household were made at the hands of this loving mother and caregiver.

In 1984, she returned to the workforce as an assistant to the Religious Education Director at St. Theresa Parish in Rye Beach. In 1986, Tricia began her 30- year career at the Rye Public Library. She joined as a part-time library aide and eventually became the Assistant

Director, the position she held at the time of her death. Throughout her years in the library field, Tricia attended countless professional development and continuing education workshops, seminars and conferences. Tricia served as a member of the New Hampshire Library Association/READS (Reference and Adult Services) Division for many years and was nominated for the NHLA/READS Award of Excellence in 2013. In 2014, she graduated with the Leadership Seacoast Class, which involved investigating regional and community issues, challenging personal assumptions about those issues, and exploring personal opportunities for involvement and leadership.

She led a popular Rye Library Book Club for several years, engaging several in the joy of reading and the sharing with one another. In May of this year, Tricia led the Library and Town of Rye's cooperative One Town/One Book celebration, aiming to bring together as many community members as possible in reading and discussing one book selection. In the end, this project involved over 300 readers.

Her dedication to the library profession and the community of Rye were evident not only in the many certificates she accumulated through her ongoing development, but in the respect and friendship she engendered among her colleagues and patrons.

Tricia was a founding member of the Rye Senior SERVE community organization. Her outreach and innate abilities of organization made her integral in the success of this non-profit effort. She is beloved by those with whom she interacted on a daily basis and the many elderly Rye citizens who benefited from her service. She was a champion of many; a truly giving, cheerful, community-minded individual. She possessed a welcoming attitude and warmth to all she encountered.

Tricia's family and relatives will greet friends and acquaintances at the Remick & Gendron Funeral Home in Hampton, New Hampshire from the hours of 4pm-7pm on Monday, November 21, 2016. A Mass celebration of her life will take place on Tuesday, November 22, 2016 at St. Theresa Parish in Rye Beach, NH at 10:30 am.

In lieu of flowers, donations can be made in Tricia's name to Rye Senior SERVE, Inc. PO Box 902, Rye, NH 03870 for the benefit of the elderly needs of our community.

“ Knowing Tricia is at peace is the only consolation I can find. She had such an inquisitive mind and I am sure she got to heaven with questions and now enjoys perfect understanding. I loved our time together working at St Theresa's and seeing her endless energy and passion for sharing our faith with children and their parents. She inspired me all the time and continued to long after we stopped working together. She was the happiest person I ever met and loved a hug from her when we would meet to catch up. Praying for you Tricia and your dear family who you are with all the time. You will never be forgotten and always dearly loved. Rest in peace, Tricia dear. Pat Hollick

“ A wonderful welcoming and good hearted person. I remember Tricia being so helpful and understanding as I made the transition from corporate libraries to public in the early 2000's. A great leader and a team player. Tricia will be missed.

We will never forget her bright presence, positive attitude and encouraging and energetic personality. She was the person who lit up every room she graced. “ Sincere condolences to the Quinn family for the loss of a wonderful mother, wife, sister and friend to many who knew her. She was taken too soon from this earth. I attended grades 1 - 9 at St Johns with Trish and Trina and have fond memories of both and their family. Stopping by their house with other male friends I recall the great times and laughs with Mr. and Mrs. Rebert and the two older sisters Nikki and Michelle. God Bless her and may she rest in peace.

“ She was the first person I met at the library. I was still on active duty stationed at Pease AFB and when I talked about libraries I had used throughout the world she always thought about if something like that would work in Rye. It is rare indeed to meet such a kindred soul.

I will miss our chats dreadfully.

“ My most sincere condolences to the entire Quinn family. There aren't enough beautiful words in the English dictionary to properly describe Mrs Quinn. My dad thought the world of her and always boasted what a beautiful soul she was how much more enjoyable she made his trips to the library. I'm sure they are enjoying the book together in the heavens above. Lots of love and light to the entire family.

“ My deepest condolences to the entire Quinn family! Since I was old enough to walk and spend time at St Thomas with my mother, have been fortunate enough to know both Mr and Mrs Quinn and their amazing family! I have always admired the class and grace Mrs Quinn in particular exhibited and it shined through in her kids! May the Quinn family find the strength to get through such a difficult time! Sending thoughts, love, and prayers their way.
