“ Mr. Buell was one of my favorite teachers at Timberlane. I enjoyed his film classes, especially when he showed us excerpts from the classics. Once, at only a few moments' notice, he helped me record some Simon and Garfunkel tunes for a school play. He had the know how and the equipment and was always willing to lend a hand.

“ Mr. Buell was a great teacher (I had him at Timberlane) and I am sure that most of his students appreciated him as I did. I also worked at the Rye Beach Club to get it ready for the season, it was a fun job I did with some of my other students! My condolences.
