“ Just recently informed of Ray’s passing through a former Pleasant Street neighbor, Mary Clough Ertl. Ray, his cousin Barry Hodgdon, and myself were the best childhood friends. I remember Ray as a super athlete, very fast, and always willing play in our back yards in various creative ventures - sometime flirting with danger, a trip to McNabb’s Market to buy some penny candy, ice cream, to see the cat sleeping in the cooler on a hot day, or short trip to Garland Patch’s dock to catch some pollock. I can still hear him practicing his drums to get the beat just right. He was a great friend, gone too soon but will always be remembered. Thanks you Ray for helping to make my childhood special. Rest In Peace.

“ Very sad news to learn of Ray’s passing. I knew Ray from our Haven grammar school days. After high school we went our separate ways and I didn’t see Ray for over fifty years. Fortunately, we ran into each other a couple of years ago and, of course, shared lots of laughs and reminisced about the “good old days”. One thing was obvious ... he was still a great guy and a lot of fun to be with.

My sincere condolences to Ray’s family and friends.
