“ I am just now hearing of Bob's passing. I have known him since 1994 in Lehigh county and my subsequent consulting jobs. Bobs energy and passion were an inspiration. He will be missed and the human service field has lost a great champion and advocate. I truly sorry for your loss.

“ Kim and Kaitlin. You have my heartfelt sympathy for the passing of your beloved Bob. I only got to know Bob over these past couple of years but quickly grew to know what a great person he was, a devoted husband and father, and a wonderful advocate. He had such amazing energy and a zest for life that was contagious. He will be sorely missed. I wish you peace and solace in knowing that he continues to live in you both, and all the people he touched throughout his life. George Liacopoulos

“ Kim and Kaitlin,

Words now are not adequate to capture our community's loss - and mine - of a fellow advocate and friend. I first met Robert through my work at the NH Developmental Disabilities Council and his as the director of the area agencies, circa 1981. Our shared values always called for "people first," no matter the consequences. Fighting for what was then right meant we had to know how to step back Bob told me on the tarmac of Manchester's airport in 2004 to check out Greenland as a place to live I did, here we are, as of 2005. The best part was meeting you and Kaitlin. Libby and I send you our deepest sympathies. We will join you Friday and Saturday.

“ Dear Kim and Kaitlin, I am so very sorry to hear of Bob's passing. I met all of you when Kaitlin was 2 - I was her teacher at the Richie McFarland Children's Center. He was always so proud of Kaitlin when he came to the Center for toddler group or when he popped into my home visits. I remember him as a caring, gentle guy with a good sense of humor. My thoughts and prayers are with you both,

“ Dear Kim & Kaitlin,
I am so very sorry to learn of the passing of Robert. Growing up in the same neighborhood as the McCaffreys provided me with many fond memories that I shall always cherish. I had been very fortunate to share many good times with Robert. From road trips to God-knows-where, to hundreds of golf games through the years, there was always fun to be had.
Robert's zest for life and his penchant for sharing good times with his friends was exemplary. He always had a warm smile for you and his laugh was exuberant, you might even call it infectious at times (you could often find him crowded restaurant or bar).
Robert was also kind-hearted and compassionate. His love of those less fortunate than himself resounded in his everyday life, as well as in his work. He is truly an example of human kindness and he shall be missed by all who knew and loved him. I am honored to call him my friend.

With deepest sympathies,

“ This is the Bob I remember. We were golfing at the Cape and he had a terrible hook and kept hitting his balls out of bounds and losing them. Eventually he was using my balls and when I told him I was almost out he said to me " ROLAND IF YOU CAN'T AFFORD THE GAME YOU SHOULDN'T BE PLAYING IT"

“ Am still in shock. I almost believed he was immortal. Will forever cherish my memories of my mentor , room mate, drinking buddy and a boss that who always had my back, never criticized and made life so interesting and entertaining for me. He was truly one of a kind.

“ Dearest Kim and Kaitlin,

I am so sorry for your loss. Bob was an amazing man who advocated tirelessly on behalf of so many people in the state of NH. It was obvious his family was the light of his life and Kaitlin- the driving force behind his amazingly strong advocacy efforts. This is such a big loss for the state. May you find comfort in the happy memories you have shared. You and your family are in my thoughts and prayers.

Sincerely,
