“ To Bob's family children and grandchildren I want to express my heart felt sense of loss hearing of Bob's passing.

My mother Marion was Bob's aunt and she was very close to all of her nephews + nieces they were a constant presence around our home in Peabody. By the time I came along, being her youngest they were all in their late teens + early twenty's and some of my first memories of Bob was that he was larger than life to me his laugh and humor was fun to be around and this along with the rest of his brothers + sisters.

Long after they had grown and moved on with their lives they would still return to visit and share time with her, which gave her great pleasure and happiness.

It's a sample of a persons soul to remember those who were good and kind to them and that is what I'll remember about not only Bob but Larry and Ruthie.

The ARK of life brings us all full circle and I'm sure that Bob is now having a good visit with Larry + Ruthie along with my mother and all of his aunts + uncles who were a great part of his life.

I truly believe that he is happy now that he's back together with them again.

Sincerely
