“ I am so sad to hear that Russ has passed away. He was a great friend. I surfed with Russ many times in the Rye area. He was also a great room mate as I rented a room in his house in the early 90s. You will be missed by all who knew you.

“ My heart and prayers are with Russ's family now. I am so sorry for your loss. His love of the sea and nature is what I remember most about him. He was an artist of carpentry and was always a friend to many. Peace is with him now....

“ I'm sad to hear about Russ's illness and passing. My big cousin, I always expected to see surfing when we walked the beach. Rest In Peace.

“ I lived practically across the street from the family since they moved in and I moved out. I always shared a joke with Russ about Jenness Beach. He called it “his” beach while I called it “my” beach. I always told him that I thought I was right because I was the “elder” and had found it before he was born.
I’m ready to let go of it in honor of Russ. He will always be caring for it now and being it’s
Soul Surfer.

“ I met Russ when I worked at Home Depot(2002). Since then I have had the pleasure of seeing him many, many times around town. Busy as we both were we always took a few minutes to chat about our work and life in general. He was a great guy and I shall miss him. Rest peacefully Russ!
