

Sandra "Sandy" White

December 21, 1944 - September 14, 2018

Portsmouth - Sandra (Sandy) Jean White, 73, went home to be with the Lord on September 14, 2018. Sandy was born on December 21, 1944 in Washington, DC, daughter of Betsy Lawson (Knight) and John Marvin White.

Sandy graduated from Portsmouth High School in 1962 and attended Plymouth State College majoring in music and secondary education. She was a very talented trumpet player and played in high school and college band. During and after college, she played the trumpet and drums simultaneously as part of The Music Makers dance band. She also played the organ for countless weddings and celebrations. In addition to her instrumental talents, she taught her six stepchildren how to sing and harmonize which brought entertainment and delight to many senior citizens in area nursing homes. She also took them to Boston where they sang as the Wurlitzer Kids.

Sandy had a beautiful knack for bringing humor, joy and smiles to the faces and hearts of all who knew her. Sandy loved to entertain. Dressed in a clown costume she delighted children of all ages with juggling, music and lots of fun at parties. Her imagination and creativity could make a game out of anything. Her grandchildren fondly remember her glow-in-the-dark starry ceiling, light shows and lots of fun at the beach.

Sandy's passion to teach was evident in her service to Lakes Region Schools as a substitute teacher as well as classes taught in Calligraphy and Keyboard at Portsmouth High School. With over 30 years of service to the City of Portsmouth in a variety of positions, Sandy will best be remembered as the delightful welcoming receptionist at Portsmouth High School where she touched the lives of thousands of students, parents, teachers and administrators. Sandy never saw any student as an underdog, only a student who needed a boost. She was always ready with an encouraging word, a helping hand and a hug. A stone memorial bench in Sandy's honor, a gift from the Class of 2009, was presented and placed at Portsmouth High School's front entrance when she retired in June 2009. Sandy loved working at Portsmouth High School. She took every opportunity to make even a small difference in the lives of those she encountered every day. She will

be remembered for her contagious smile, ever-present optimism and great love for people.

Sandy is survived by her brother Michael White and wife Susie; children, Patty Hazzard, Elwin Dale and wife Rose, Judy Downing, Robert Dale and wife Michelle, Edie Tripepi and husband Joe; 17 grandchildren, Tricia, James, Richard, Heather and husband Keith, Jennifer, Renee, Skye, Jacob and wife Jennifer, Samantha and husband Dale, Rebecca, Kirsten, Stephany, Robert, and Jonathan; 15 great grandchildren, Nicole and husband Jason, Jessica, Aaron, Alexa, Nicole, Caelyn, Mack, Jeffery, Haley, Kyndal, Allyson, Joshua, Timothy and Madyson; as well as aunts, cousins, nieces and nephews.

“ Sandy White was the face of Portsmouth High School for many years. She represented us well and was always there to help someone in need no matter what it was. You could always depend on her when you needed an extra hand or were looking for another volunteer. She was always smiling and greeted and respected everyone who came through the door equally and was a friend to many. The legacy she leaves behind is one of a person who set a good example for all. She loved her job and it showed every day. Sandy, thank you for all you have done for our community!
