

Stanley I. Shaw

March 23, 1945 - May 25, 2020

Portsmouth – Stanley Ingram Shaw, 75, of Portsmouth, New Hampshire passed away at home in the early morning hours of May 25, 2020.

Born in Coulee Dam, Washington, to Carl Ingram Shaw and Ruth Eleanor Shaw (Yates). Stanley attended North Syracuse High School and the University of Colorado at Boulder where he completed the Air Force ROTC program with a bachelor's degree in Botany.

During his summers in college, he worked for U.S. Forest Service in Nevada, as a forest fire scout.

He met his wife Helen Shaw in South Dakota at Ellsworth Air Force Base, where both were serving in the Air Force. They married in June in the late 1960's.

He was later stationed in Labrador, Newfoundland, Canada. Shortly after the birth of his first child Jodi in Newfoundland, the family was stationed at Beale Air Force Base in California where his second child Daniel was born.

After an honorable discharge from the USAF with the rank of Captain he moved to New England, where his third child Andrew was born. Here, he served as manager at various country clubs, and later managed the Officer's Club at Pease Air Force Base.

He later owned and operated Betty's Kitchen in North Hampton, NH for fifteen years. After selling the restaurant, he continued working in the industry as owner and operator of Betty's Kitchen Catering, also located in North Hampton, NH. He retired in 2019.

A dedicated husband and devoted grandfather, he was a kind-hearted man who enjoyed nature and loved animals - especially dogs and birds. A fan of history, hiking, gardening, jogging and traveling, he also loved country music.

He was a longtime member of Spinnaker Point Recreational Center, where he especially

enjoyed the indoor jogging track and the people he met there.

He is survived by his wife of fifty years, Helen Shaw (Hussey), and his three children: daughter Jodi Ingram Shaw (Antonello Di Mattia), son Daniel Ingram Shaw (Stephanie) and son Andrew Jason Shaw. He is also survived by four grandchildren: Logan Patrick Shaw, Willow Mae Shaw, Hale Howell Thurston and Stanley Ingram Thurston along with several nieces and nephews, sisters-in-law Linda Shaw and Maryanne Hussey, and brothers-in-law Timothy Hussey and Michael Campbell.

In addition to his parents, he is predeceased by brother Larry Lyle Shaw and sisters-in-law Noreen Hussey and Mary Campbell.

The family would like to thank the staff of the Seacoast Cancer Center and the nurses and aides of Beacon Hospice Care.

The family will be holding a small, private service for immediate family members only.

“ We go way back. I worked for Stan and the officers club at PAFB.when the base closed he and Helen asked me work for them at Betty's. I was there 10 years. I got severely hurt while there and they were very kind to me and my family. When I went back to college I remained employed for them, they let me work when I could while going to school.
My sincerest condolences to the entire Shaw fsmily.

“ There are not enough words to write down how much Stan meant to me. My first real job. A very fair, kind, funny and by the book boss. He was so good to all employees. I will cherish my memories of Stan hiding my bike up in the tree while I was working. To eating my food on Me. My 16th Birthday Helen making me a cake and Stan taking a big bite out of it before I could. There are just so memories. To being my landlord when my husband and I got married. And I still laugh because after getting married he would still call me Millett not Casad. Could not ask for better landlords. Stan I will always cherish the memories and to Helen and family, Mike and I are here if you need anything. Betty's Kitchen will never be the same. Love and prayers for all.

“ That's a great set of pictures. I've watched it several times. I have a lot of good memories of Uncle Stan, but one that really stands out is when he took me to. Boston Red Sox game in 1976 when we were visiting. We scalped tickets, which I'd never heard of at the time, and Uncle Stan provided colofful commentary for the entire Boston scene. It was crazy and wonderful and I'll never forget it. I can't believe we lost him and Dad so close together. Best wishes to all of the family. Jeff

“ Dear Helen and children,

It is with deep sorrow that I read about Stan's passing. My first boss! And one who put me on track for the hospitality industry for over 35 years now.

Although Stan and I would fight, he was one of my dearest mentors. Many memories of the Officers Club and Betty's Kitchen, many stories, and lots of laughter.

Stan will be missed. Sending love, Janette Goodman
