“ I'm so sorry to hear of Ginger's passing. I had no idea she was battling this horrid disease. I will fondly remember our times together. My heartfelt thoughts and prayers go out to her family.

“ I will always remember our fun Parsons family times with you at holiday parties, summer get-togethers, weddings and visits. And my daughters enjoyed adding a female presence to your household in their teen years spending summer weeks with you. I laughed when you told me you would never shoe shop with Erica again. Those summers helping with Michael encouraged Kirsten to become a physical therapist. We know you are at peace now and your spirit will be with us always!
