“ *Adolia was so much more than my mother in law, she was a friend. She was a very strong woman. She was beautiful in so many ways. She called a spade a spade and wasn't afraid to speak her mind. She had many friends and acquaintances; many have gone on to their reward. She has now joined them leaving behind children, grandchildren, great and great, great grandchildren who have all experienced her love, kindness, guidance, generosity, and discipline. She has earned our love and respect in return. She will be missed by all who knew her but I have faith that she is in a better place, at peace and with the loved ones who went before. I will always cherish my memories of Adolia. I love her, miss her, and thank her for accepting me into her family so many years ago,*

*With love, Karen*

ME

“*Dolia was such a beautiful woman, and was so good to everyone she knew. We go way back and I have such great memories of our "CB Days" We were all like family, and 21 of us went everywhere together. We really miss those fun days. But many of our "21 group" are up there waiting for her. I knew her all my life and never knew she had the nickname of Dolly! It's sad to see her go, but she had a wonderful life and a very long life, but the recent years weren't enjoyable. She's at peace now and with many members of her family.*
