“ I graduated from Richmond hill high school in 1965. Mrs Rodriguez was absolutely the most wonderful teacher I had. I took commercial subjects and through her guidance and encouragement gave me the confidence I needed to obtain secretarial employment directly out of high school since college was not an option for me. She was the sweetest person and I will always remember her wonderful smile and kind ways. I am truly sorry for your loss. Susan Leiz Lyon

“ I was lucky enough to know Mrs. Rodriguez at Richmond Hill High School. I graduated in 1971. She helped me to find after school jobs, but more than that she was generally so warm and encouraging! In 1981 I moved to Williston Park and met her on line at the local Key Food store. I took that opportunity to thank her for such wonderful words of encouragement and told her of my success! I had won a scholarship to college. I graduated from St. John's Univ. in 1975 with a BS in Accounting. What a treasure she was, as your family knows. Most sincerely, Joan (Sambriski) Antonicelli Williston Park, NY

“ Dearest Ronnie,  
I was shocked and sadden to hear about your Mothers passing. She was a great, and loving person. She was so good to all the kids on the block, and never got mad! Even when we rode those mini bikes and almost caught by the police. I truly feel your sadness as I too lost my Mother in Law to the same terrible illness. My heart goes out to you and your family. If you feel like chatting e mail me. Again so so very sorry.  
Love and Prayers, Susan French Congero
