“ Alberta was my neighbor for the past 6yrs. She had more get up and go than most 20yr olds. The day she was moved to Brentwood was a hard day for lots of us at Atlantic Heights.

*It's been very quiet since her pet bird that whistles the Andy of Mayberry themesong and catcalls when you go to elevator.*

*Alberta was a sweet lady that made the best of everything every day she could.*

“ I loved to see her beautiful smile when I walked in to see my mother Arline Randall.

You mother was so proud of all of you. She had lots of love for all of you. and her Chili.

She did like our new friend Leo dog.

You ladies were so beautiful with your mom and very generous to Arline

Your mom was a great room mate for Arline.

Thank you. Be proud of yourself for you seem to have a great mother.

Condolences to all of you.
