“ *We would to refer to him as Popeye or Pop . He and I shared Navy stories, come to find out ,his son and my Dad served on the USS Coral Sea. His smile and laugh were welcomed always. He looked pretty hip driving around in his little white convertible, always knew when he was in Duncan Donuts. ! I will miss this dear man.*

I look at Uncle Gook's picture and smile, remembering the life of a spirited, funny man who added color and love to our family. And how he loved his family! Bobby, Judy, Janie, Mary Beth and Richard were the joy of his heart. And Norma, how blessed he was to have her by his side! Our hearts are with you all. We will miss him,too. Nancy and George
