“ *Al,
You were kind, generous and full of laughter.
You were always there to help your friends.
You have left me with two scars, the first on
my arm from wiping out on your scooter. The
second in my heart for a lifelong friend lost far too soon. You will
always be with us.*

Al, you were kind selfless, and full of laughter. You always wanted to help everyone around you. You have left me with two scars, the one on my arm when I wiped out on your scooter when we were teens. The other, in my heart for my friend who left us too soon. You will always be with us.
