“ To the Arcidi Family,
I am very sorry for your loss. Dr Arcidi, a wonderful man and it was always a great honor to be part of the Whittier Family. I fondly remember my visits with him. He had a way of making you feel special. His smile, he had the greatest smile. When he smiled at you it would warm your heart, and you would smile back. He was always the smartest one in the room, but also the one with the biggest heart. Words can not express how thankful my family and I are to Dr. Arcidi. I feel that he inspired me to be a better person and clinician. May he rest in Peace as we continue to carry out his Legacy and commitment to excellence in patient care.
