Thanks for instilling in me to always turn negatives into positives and to tell it the way it is. You will be part of my soul forever. I love you.*

“ I am truly sorry for the loss of your mom. May her memory remain in your heart, helping to heal it in the days to come. Rely on the God of comfort to give you the strength you need to get through the difficult days ahead. He gives us the hope of seeing our loved ones again by telling us those "in the memorial tombs will come out. May this bring you comfort and hope for the future.

“ *My Dear Sister Alice was a strong, warm and good natured woman. She always saw the best in everyone and looked on the bright side of things. Our large family always had so much fun when we went to visit Alice and her children in their house in Milford. She would cook and bake so many delicious foods and we would eat and laugh so much that we didn't want the day to end. All the little cousins would have fun playing outside in the big yard and the parents would talk about the fun times of the past. She always enjoyed a good discussion on any topic and loved to spend time with her family. We will all really miss her. All my Love to her Children, Auntie Ann Stabile Carideo*
