“ *Alice was gift of God's love and grace. We met Alice at a Gaither concert in Worcester, MA many years ago, and since that time Alice shared her love for God with us and a special friendship. We always knew that even though we lived a distance from Alice our hearts were entwined with hers. We pray for her family and friends that God will embrace you with His endearing love and will hold Alice in His loving arms.*

Alice was a wonderful woman. She showed us all how to take on life and enjoy both the living and those around her! She will be dearly missed.
