“ My heartfelt prayers go out to Uncle Alan, Jay, and family. I pray Aunt Jelly knew how much I appreciated her and Uncle Alan letting Jimmy and I live with them when we first got married. There she was a young mother, working full time, and yet when we had no where to go we didn't even have to ask, both her and Uncle Alan opened up their home to us, and that has always meant the world to me. I always looked up to her because no matter how much she accomplished in her life, and she accomplished a lot she never changed, she always had so much love in her heart for everyone. My daughter Kimberly, her husband Michael, and their children spent a lot of time up there enjoying time with her Aunt Alice, and Uncle Alan over the years, and their dogs too. Water sports was always part of the visit, and I am so grateful that my daughter got to make so many wonderful memories. It saddens me to know we have lost another wonderful part of an amazing family, but I know without a doubt all of Heaven is rejoicing.... My love and prayers to all, *Love Elizabeth* ”
