“ *Dear Beth:*

Thinking about you each day while you are gone and wishing you a memorable reunion time with your family. So happy you were able to spend time with your mom this past year and have those good memories to recall; your goodbyes now are only temporary. She lived a full and long life here and the fruits of her labors are seen in you and your posterity. Now she is on to new and even greater adventures. Love to you and yours; have a good and safe trip back home. Lynette

“ It has been a long time since i was in Hampton. My mother, my family and i all knew and loved our Aunt Alice though. She visited my mom with her sisters when my father passed and it was a pleasure having her in our home. She always was filled with a bubbly enthusiasm that never ceased to bring a smile to my face. My Uncle Ed, her brother, used to give me an aside, "she'll talk for a long time." He said it affectionately and always laughed a bit when he said it. It was true, but Aunt Alice was filled with stories of goodness and friendship. That same happiness was conveyed over the telephone when i had the opportunity to talk with her when my mom and Alice would carry on conversations on Sunday afternoons. My mom was always excited to talk with her. They burned the phone lines together.

The address I have is at Sicard Rd. in Hampton and i know that is not an address that may find the family now. I was going to e-mail Dave in Alaska thinking he might know something, but instead please accept these flowers that i am sending. My mother recently passed and she will be proud to know some flowers were sent on behalf of the Wallingford family in Ohio. In memory, Jack Wallingford
