

Ananias "Andy" Janvrin

May 30, 1968 - February 13, 2023

Seabrook – Ananias “Andy” Janvrin, 54, of Seabrook, passed away at his home on Monday, February 13, 2023. He was born in Newburyport, MA on May 30, 1968, a son of Betty J. (Knowles) Janvrin of Seabrook and the late Howard L. Janvrin, Jr.

Andy was raised in Seabrook and graduated from Winnacunnet High School in 1986. While in school, he excelled in mathematics and sports and was the captain of the hockey team. After graduation, Andy went to work for the former KJ Quinn Co. of Seabrook before becoming a carpenter and a member of Lawrence Local 111.

He loved all kinds of music, all sports - including sports betting, freshwater fishing and was an avid weightlifter. Andy especially enjoyed hanging out with his son Tyler, whether it was BB gun target practice in the backyard or going on nature walks together at night, time with his son was most important to Andy.

Andy had a great sense of humor and was one of the funniest people you would ever meet. He was a wonderful son, focused on caring for his Mom and a fantastic father, grandfather and brother. He will be sadly missed by those he loved and those who loved him back.

In addition to his mother, Andy leaves his son, Tyler Quarrell and his girlfriend Michelle Flores of Haverhill, his granddaughters, Delilah and Milani, his brothers, Rick LaPierre of Stratham and Gary Janvrin and his wife Lauren of Kingston and his sister Michelle Moulton and her husband, Scott of Seabrook.

He was predeceased by his father and his Doberman and best buddy, Mazzy.

Visiting hours will be from 5 to 7 pm on Wednesday, February 22, 2023 in the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton. Burial will be private.

“ So many childhood memories of playing at Adams Ave in Gram’s backyard. Summer days playing baseball all day or in the pool. Andy was good at all sports and a hockey phenom. He had a very quick wit even as a small boy and loved to aggravate. I remember him being excited when Big Dat was coming home from work. Or Andy counting every card in a deck many times over. We’d play dunk your neighbor or war. Gram was always up for playing a game of dunk with Andy. I remember Betty taking us to Elephant Rock many times which Andy was always excited to go on any adventure. I hadn’t seen Andy much in later years but cherished our childhood memories. May you find peace my cousin. And my heartfelt sympathies to all the family who loved Andy as much as I did.

“ *I remember well the sweet little 5 month old baby I used to take care of while Mom worked. I would rock and sing to him most of the day. He was a cuddle bug and I took advantage. I have kind of always thought of him and Gary as my special baby cousins. He was a very friendly guy, always had time to chat. Much too young to leave us, but someday we will know why. Betty, my heart goes out to you, love you Bet!!*

“ I can't believe it, Andy I'm going to miss you Darlin. God Blessed me with getting to spend that little amount of time riding from the old Walmart to your house a few months ago. I have that wonderful memory until we see each other in Heaven, but who's going to remember my two songs? Amazing Grace, and How Great Thou Art. My prayers are with all the family, and so many people are hurting right now because there was something about Andy that just lit up my heart every time I saw him. If one of the two songs he has been remembering for me since before the Shaw's in Seabrook closed could be sung or played at his service that would be wonderful. I love you, my friend, I'll see you soon Darlin... That teddy bear with a big heart is Andy. My love to Betty Jane, and the rest of the family, God Bless you all, Love Liz
